Top Speed (Electronically Limited - km/h)	210	210	250	290
Acceleration - 0-100 km/h (Seconds)	6.4	4.8	4.2	4.1

Unique Selling Points

C-Class Coupe & Cabriolet

An Interior Like No Other

The C-Class features a remarkably stylish interior with an assortment of high quality interior trims and a wide range of available upholsteries that range from ARTICO man-made leather to the very luxurious *designo* Nappa Leather options.

Driving Dynamics

The C-Class Coupe and Cabriolet offer extremely pleasant yet agile and athletic driving characteristics. Furthermore, the Cabriolet comes standard with luxury features such as AIRSCARF and AIRCAP which help to provide comfortable open-top driving all year round.

*“The new C-class coupe is a larger car than its predecessor, a move made as much for style as it is for interior space. Of the additional 3.1 inches between the wheels, 2.4 inches were inserted between the firewall and front axle. Compared with the car it replaces, the new C-class coupe appears more modern, more expressive, and more expensive” – **Car and Driver***

<http://www.caranddriver.com/reviews/2017-mercedes-benz-c-class-coupe-first-drive-review>

*“It’s a rhinoceros of low-end torque, especially from a little two-liter—even more so than the 3.5-liter V6 it replaces, and more so than the 2.0-liter engines in the BMW 428i and Audi A5.” – **Jalopnik***

<http://jalopnik.com/the-2017-mercedes-c300-coupe-looks-good-and-drives-good-1777093845>

*“In this competitive class, what the C offers is a choice of engines and contrasting soft-top colors, backed by solid driving dynamics. If you don’t mind how common the C-Class’ face is and won’t be easily swayed by new four-seat convertibles arriving in the next two years, consider the Benz when you’re ready for a step up from the Camaro, Mustang, Beetle, and Cascada convertibles.” – **Motortrend***
